Fractured Crystals (Fury Falls Inn Book 4)

About the Book:

Fury Falls Inn in 1821 Alabama. A place for ghosts, witches, and magic. A place of secrets and hidden dangers. A place where Daniel Fairhope's family kept life-changing secrets from him.

His sister's magic is coveted by two powerful, angry witches intent on her willing compliance with their demands. Worse, a witch hunter is on the loose, determined to rid the area of all witches. Struggling to cope with those threats, Daniel discovers his own unique and powerful ability as well as those of his estranged brothers. Abilities they'll need to unite to protect their sister and the family secrets. But these challenges all pale in comparison to convincing the captivating woman he meets at the inn to trust him before she breaks his heart.
