## Potato Salad

In *Notes of Love and War*, Audrey goes with her sister Stella on a picnic. One of my favorite picnic dishes is potato salad, something my dad was famous for making. Here's my recipe for this side dish, which is pretty much the same as my dad's. Enjoy!

### Ingredients

- 6 large russet potatoes
- 3 eggs, hard boiled and peeled
- 1 small yellow onion, chopped
- 2 stalks celery, chopped
- 1 T sweet pickle relish
- Dill weed, to taste
- Mayonnaise, to taste
- Paprika for garnish

### Instructions

Cover potatoes in a large pot with water; boil until fork tender (firm but not soft). Cool on a wire rack.

When cool enough to handle, peel potatoes (I use a sharp knife) and cut into bite size pieces and place in a large mixing bowl.

Dice one hard-boiled egg and add to potatoes.

Add other ingredients except the eggs and paprika with the potatoes, stirring well. Add mayo until desired consistency.

Transfer potato salad to serving dish.

Slice remaining 2 eggs and lay on top of the potato salad. Sprinkle with paprika.

*Note:* Let the potato salad chill for several hours or overnight to meld the flavors.
